CASELAP will, on Monday, 24 November 2014, hold the second round of M.A Thesis Proposals and Concepts presentation where students in the Master of Arts, Environmental Law and Environmental Policy students will present proposals and concepts for thesis research, at various stages of development. Faculty members will be on hand to interrogate the arguments presented, and to provide critical review for further guidance to students. This is part of the CASELAP strategic objective of providing high quality training in research at post graduate level.
